

Recovery Fun Song Fest

Featuring

Mary Kaye Wells

Saturday, February 18, 2012

Time: 9:00pm – 10:00pm

Place: Fairbanks Recovery Center Quads

Feeling down about your recovery? Come see the positive and funny side of life in the rooms of recovery. Join Creative Communicator Mary Kaye Wells who tells stories and pairs original lyrics with familiar tunes as she embraces the joy, pain and difficulty of life.

Those of us in recovery sometimes take ourselves and everything in life too seriously. Enjoy the humor of Life as a 12-Stepper and share laughter with others in recovery. Come for the ride, it will make you smile.

It's fun and it's free!
