

## **Fairbanks *Spotlight*™**

Fairbanks *Spotlight* is a behavioral-health coaching program that helps large, self-insured organizations proactively identify and assist employees and their dependents, who may be at risk of developing health problems, including addiction. Employers may be able to increase healthcare engagement and reduce healthcare costs by up to 20% with Fairbanks *Spotlight*.

### **Fairbanks *Spotlight* Process:**

- Staffed by licensed behavioral-health coaches
- Uses proprietary analytics to identify individuals who may benefit from behavioral-health coaching
- Establishes trusting relationships
- Recommends appropriate resources for care
- Proactively reaches out to your employees and their families before negatively affecting productivity

Most important, you'll protect your employees and your investment in a productive workforce.
